

Passionate about working with youth? Looking to get involved in the community?

The CREW is a group at Camden Hills Regional High School (CHRHS) connecting students with caring community members. Together they will plan and take part in new experiences, forming positive relationships along the way.

The Helm is the committee that helps to design, implement and sustain The CREW. Members of the Helm are community members who provide insight into community culture and values to create a mentoring program that works for local youth. Once underway, Helm members will help monitor the program to make sure it is successful. This monitoring may include attending meetings or mentoring events to experience the program. The ultimate goal of the Helm is to provide sustainability of the program beyond the end of the 2012 school year.

Responsibilities and Requirements:

- Be passionate about working with young people
- Minimum one year commitment to the Helm
- Provide input during initial planning meetings
- Help sustain the program after initial implementation
- Be willing to submit to a background check

Benefits:

- become a positive influence in the lives of local area youth
- connect to others in the community
- opportunity to be a part of something new

Time Commitment:

Monthly meetings to:

- discuss the recruitment and training of new mentors
- plan & evaluate ongoing activities
- discuss other topics relating to The Crew

Location:

The Crew is based at Camden Regional High School, however monthly Helm meetings could take place at various local points as determined by Helm members.
